The Division

Located in southeast Manitoba, the Red River Valley School Division has an enrollment of approximately 2,500 students across 13 schools. We deliver a wide range of academic, vocational and extracurricular programs, as well as a continuum of supports and services designed to meet the needs of all of our students.

Our employees are committed to fulfilling our mission. "*The Red River Valley School Division, with the support of families and community, strives to provide a learning environment that will allow our students the opportunity to achieve their highest potential in a global environment".*

The Position

The Speech-Language Pathologist works under the supervisory function of the Student Services Administrator. The Speech-Language Pathologist acts as a member of a multi-disciplinary team of professionals and is responsible for providing specialized communication-related services. The successful applicants will collaborate and consult with parents/guardians, educators, and community professionals, design communication programs, and provide supervision for these programs within the educational setting in the RRVSD schools. This is an itinerant position, providing support in schools throughout the division.

Qualifications:

- Must be registered, or be eligible for registration, with the College of Audiologists and Speech-Language Pathologists of Manitoba (CASLPM);
- Must have Master's Degree in in Speech-Language Pathology;
- Must be in possession of a current School Clinician Certificate (Speech-Language Pathology) prior to the determined start date;
- Must be able to work in a collaborative manner with school personnel and parents;
- Strong technology skills in order to complete all on-line recording and reporting requirements;
- Your own vehicle is required.

Experience and Abilities:

- Relevant school and clinical experience working with students with communication and/or language delays;
- Assist school personnel in identifying students with communication impairments;
- Familiarity with a wide range of assessments;
- Determine individualized intervention goals and establish strategies and techniques to facilitate development of the targeted skills;
- Familiarity with using assistive technology to support student communication (software and speech generating devices);
- Able to work collaboratively with a multidisciplinary team;
- Ability to respect confidentiality and excellent communication and interpersonal skills;
- Ability and willingness to provide professional learning workshops to staff;
- Demonstrated skills in caseload management.

Please Note:

- Only those selected for an interview will be contacted.
- The successful candidate must submit an original Criminal Record Check (for working with vulnerable sectors) and an original Child Abuse Registry Check dated within the last 6 months, and a satisfactory driver's abstract, deemed satisfactory by the employer, before commencing employment. Costs associated with these checks are the responsibility of the successful candidate.

The Application Process

Please submit a cover letter, resume, and three professional references on or before the closing date to:
Human Resources, Red River Valley School Division,
Email: hrdept@rrvsd.ca
In person/mail: P.O. Box 400, 233 Main Street N., Morris, MB, R0G 1K0

Red River Valley School Division acknowledges that individuals may face barriers that hinder their full and equal participation in the workplace and is committed to providing reasonable accommodation to all employees and candidates. RRVSD is an equal opportunity employer. Accommodation is available on request for candidates taking part in all aspects of the selection process.
