- New Mascot tabled as Arlin is wanting the student council to work on it a little.
- Banking Information: Christina and Denise closed the Bingo account and applied for online statements.

Other Business

- Microwave for the lunchroom: Kyla was approached about the need for another microwave in the lunchroom. Arlin said he had one to donate. Resolved.
- Tamara is possibly retiring: Arlin is asking if the PAC wants to help out if they decided to do a last minute retirement party. PAC has agreed to help and the details are being worked on.
- Grad Write Up Issue: Denise had parents approach her about the issue of the ceremony with no scripture references in it. The rule was missed when putting the grad book together. Some parents feel that their kids should be allowed to quote scripture during their ceremony as it's written by the grad. The Superintendent and Vice Superintendent spoke to Jerry after grad 2023 and reminded him of the RRVSD policies that do not allow any references to any Holy texts during school sanctioned events. Mr. Gord Mosset will take this to the board meeting on March 12th and let Micheline know the outcome.
