New Business:

-Fundraising:

We still have \$500 from the Morris Area Foundation Grant to spend on the Arts in our school. We decided to put the money towards the Artists in the School program.

Denise reported that she spoke to Karen at Liquor and Gaming and was told that our bingo reporting was done and closed.

Arlin went over several items that the PAC could fundraise for with Moms Pantry and Schelmerdines. We decided on a Gagaball Pit. The pit would be put on the East side of the Volleyball courts so that the younger years and the 7/8s could use it. We decided that we would start fundraising with Mom's Pantry as soon as possible and run it till November 10th. Micheline will inquire with Shelmerdines to get more info on a timeline for fundraising through their program. We agreed that if the whole school can reach \$3000 raised between the two fundraisers then the whole school would get a pizza party.

Other Business: None
