Old Business:

-Nutrition Grant: Jenn explained that the grant is \$70/month. They are starting with non-perishable snacks and seeing how that pans out. They may have some high school students do some baking.

-Preschool will be running out of Lowe Farm. They will run Tuesday/Thursday with the potential to also run Monday/Wednesday. Kyla says it would be good to get attendance numbers from them so we can prepare for next years kindergarten ahead of time.

-The revisions to the Parent Advisory Constitution were read out loud by Jenn R. Denise moved that the changes be adopted and there were no objections, all in favor. There was conversation had about the PAC executive and positions available. Denise nominated Jenn R as vice chair. Jenn accepted the nomination.

New Business:

-Vicki Eidse asked about the time allotment for the grade 7 and 8 gagaball pit. She stated that she was told they were only given 15 minutes a day to play in it. Jenn Loewen shared the lunch overlaps don't make it easy for scheduling.

-Benita Unger wants the Parent Advisory to send out more emails and specify 1 person as a liaison to the parents. The PAC agreed that having a PAC email would be beneficial so Christinal will make one and post. The PAC also agreed that keeping all of the committee as options as liaisons makes for better accessibility to the parents.
