The Red River Valley School Division, with the support of families and communities, strives to provide a learning environment that will allow our students the opportunity to achieve to their highest potential in a global environment.

Red River Valley School Division Vision Statement

THAT EACH OF US WILL BE
LIFE LONG LEARNERS

Starbuck School Mission Statement

Starbuck School will provide a safe, nurturing environment for effective learning and personal growth. Starbuck School believes in encouraging students' talents, abilities, interests and addressing student needs. Starbuck School shares responsibilities with families and other agencies, committing itself to the provision of an education that will facilitate the development of students' academic, physical, social and emotional growth.

2024-2025 School Priorities

1. Enhancing Student Literacy

Our literacy program is seeing significant success, with assessments showing a 95% proficiency rate in reading and a 88% proficiency rate in writing.

2. Boosting Student Numeracy

The numeracy program is also seeing continued growth with a proficiency rate of 91% in mathematical knowledge and a 86% proficiency rate in problem solving.

YEAR IN REVIEW: CELEBRATING OUR ACHIEVEMENTS!

This past year was filled with remarkable achievements and enriching experiences. Here are some of our key highlights:

- Provincial Leaders in Philanthropy: We proudly achieved the #1 ranking in the province for Terry Fox fundraising, demonstrating our community's incredible generosity and spirit.
- Cultural Enrichment through Arts & Education:
 - African Drumming: Our students experienced an inspiring "Artists in the School" residency with the dynamic Mr. Coffieman.
- Partnership with MHRD provided a before and after school recreation program for students and families.
- Extra-Curricular: We successfully provided a wide range of extra-curricular activities, providing essential opportunities for growth and connection.
- Provincial Science Challenge: Our Grade 7/8 students excelled at the Challenge, with two teams proudly securing 1st and 2nd place at the University of Manitoba
- Expanded Learning Beyond the Classroom: Students engaged in numerous valuable external learning opportunities, including:
 - Festival du Voyageur
 - University of Manitoba Science Challenge
 - Viking School Program
 - Humane Society - Volunteering
 - Manitoba Theatre for Young People
 - Manitoba Bio Lab

PLANS FOR NEXT YEAR

Next year the school will focus PD on Writing and Problem solving as we look to improve student proficiency in those areas.
