

Red River Valley School Division
ADMINISTRATIVE PROCEDURE A2 - RELIGION

The Red River Valley School Division Board of Trustees believes all schools in the division should be non-sectarian.

As per the Public Schools' Act, the Division will be in compliance with provincial statutes and regulations concerning religious instruction and religious exercises.

Prior to the commencement of religious instruction, a curriculum must be provided to the school administration and be made available for the public upon request.

The volunteer conducting religious exercises and/or instruction must submit a Criminal Record Check with Vulnerable Sector Search and Manitoba Child Abuse Registry Check to Red River Valley School Division in advance of the commencement of the religious exercises or instructional block. (See Procedure H5 - Volunteering).

When possible, petitions for religious exercises will be submitted to the Board in May for the following school year (Appendix A).

Divisional Personnel or Board Members will not be involved in the petitioning process, other than to provide information pertaining to the provincial guidelines governing this process.

Parent Councils (Manitoba Association of Parent Council recognized) are considered part of a school, and are therefore non-sectarian and subject to the same restrictions outlined in the above paragraph.

Religious Instruction

For regulations, please see section 80 to 82 of the Public Schools Act.

Religious Exercises

For regulations, please see section 84 of the Public Schools Act.

Students with permission to participate (those whose parents/legal guardians have signed the petition or added their name to the petition with a signed note) shall meet in the designated area during the designated non-instructional time.
