

The Red River Valley School Division Board of Trustees expects that every school shall display a Canadian flag when school is in session.

The flag may be displayed on a flagstaff on the school grounds or prominently displayed in the school building itself.

The Superintendent & CEO may authorize the flags in The Red River Valley School Division to be flown at half-mast as deemed appropriate.

The Canadian Flag shall be flown at all Red River Valley School Division schools while school is in session. This includes Professional Development and Administration Days as school is considered "in session" on these days.

While it is not contrary to Canadian Flag etiquette to have the Flag flying at night, it is recommended that the flag be lowered at the end of each school day and raised each morning before school starts.
