

The Red River Valley School Division operates in ways to protect and maintain its assets and avoid unnecessary exposure to risk.

Consequently, the Superintendent/CEO is responsible for:

- Adherence to all provincially legislated requirements;
- Adequate security of all division assets;
- Protection against theft, casualty and liability losses to the Board, staff, or the division itself through proper insurance;
- Measures to ensure uninsured personnel do not have access to material amounts of funds;
- Measures to ensure the division, the Board or its staff are not unknowingly exposed to claims of liability;
- Maintenance of a safe and efficient transportation system;
- Seeking approval from the Board before acquiring, encumbering, or disposing of division real property (land and any permanent fixtures on it);
- Ensuring resources provided to division staff are used exclusively for division related activities.
