

The Red River Valley School Board (Board) is committed to efficient and effective governance and a governance model that:

- Focuses Board energy on oversight and high level decisions affecting student learning and achievement, rather than the daily activities and operations of the division;
- Regularly reviews the Board's vision of the future based on new information, including input from the community and advice from educational experts;
- Maintains Board approved policies, strategic priorities and annual budgets that align with the vision of the future;
- Provides for continuous improvement of the governance model through learning, a program of professional development, evaluation, and assessment;
- Delegates administrative authority to the Superintendent/CEO (CEO), unless otherwise defined in Board policy;
- Monitors results and compliance with Board policies and considers this when evaluating the performance of the Board and CEO;
- Ensures accountability to the position of trust in which the Board has been placed by its community;
- Fosters teamwork and a climate of trust.
