

Red River Valley School Division
ADMINISTRATIVE PROCEDURE F6 -
RRVSD SPONSORED ONLINE LEARNING

The Red River Valley School Division Board of Trustees encourages the use of a variety of distance learning programming, supported by Manitoba Education.

The Red River Valley School Division may sponsor a student's registration fee for a course provided that:

- the student has not already successfully completed the course,
- the course is not offered in the school or is unavailable to the student because of a timetable conflict,
- the principal has granted permission and
- the superintendent's department has approved the registration.

Under extenuating circumstances, if students cannot meet the above criteria, the Superintendent's Department may consider approving registrations on a case-by-case basis.

In order to be eligible to participate in RRVSD sponsored online learning, a student must be enrolled in The Red River Valley School Division.
